

SHOWCASE

SOME OF THE BEST PRODUCTS AND OPPORTUNITIES ON THE MARKET

EVENT

The Glamping Show, the only event of its kind that caters purely for the glamping sector, has grown and evolved since its inception in 2015. Whether you are in the throes of planning a new glamping site, an established glamping site operator or an event organiser planning temporary event accommodation, you can access expert advice, free of charge.

SURFACING

From domestic to commercial, **EC Surfacing** works with many different clients – all with unique requirements. They endeavour to provide a highly competitive quote, selecting the best materials for your needs. Unlike most surfacing companies EC Surfacing owns most of its plant, helping it offer more competitive pricing than many competitors.
